

Road Rally 101

You are wondering what the rally is. Maybe you're considering joining and driving. Maybe you want to support a charity and are confused. Here is a quick overview on what the rally is.

You need five things for the rally:

- 1.) A charity you want to support. 2.) A desire to have some fun and see some cool stuff. 3.) A car.
- 4.) Your registration fee (\$500) and 2 nights hotel. 5.) A cell phone and email address.

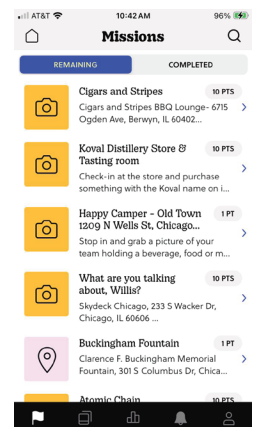

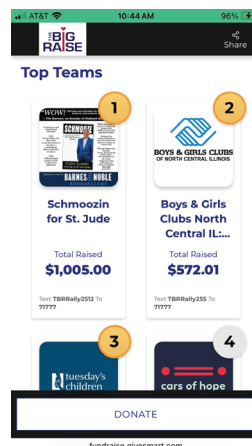

Seems pretty simple. Yes it is that simple. Here's what you get:

Once registered (Rally Registration – Join The Raise) you will get instructions on booking hotel; emailing and asking people to support your car; team shirts; your own website to start raising money; and information on the rally route and the challenges you can complete.

To Do List:

- _____ book your hotel
- _____ copy and paste the details on your team to email your address book
- _____ text friends/coworkers/family to follow/support your team
- _____ show up at 9:00 AM on June 26th and drive.

Screenshots from one of the team's fundraising page and the rally challenges for your drive:

Simply put this is YOUR own fundraiser for any 501c3 charity you want. You get the car décor; jerseys; fundraising page; challenges and schedule and you can win the trophy and be the champion and hand your charity a big old check. Sound good?
