

## November 2025 Monthly Update

A great Monday wish to you and update on all things Big Raise.

**“Who Killed the Fundraiser”** is this Friday to benefit Cars of Hope. This will be a great night of entertainment for a great cause. The event silent auction and donation page will open on Friday. Even if you didn't get to attend, you can still support the work to provide transportation to deserving families that Cars of Hope does through a one time gift; gift commitment; or bid on a silent auction item. Details at: [November 7th](#).

**“Hearts for St. Jude”** 2026 registration has opened and we are busy preparing for an amazing time to benefit St. Jude Children's Research Hospital in central Florida. The gala entertainment has been booked and Sunday night will feature entertainment from Justin and the Swingbeats singing Sinatra, the rat pack and a whole range of favorites and hits.

Golf registrations are limited so don't wait to register. We expect to sell out the event. Also check out the pickleball tournament that has been added for 2026. Register at: [Hearts for St. Jude](#). Information and other event details at: [The Big Raise](#).

Our “Thanks to These” for November 2025 goes to Manish and Yatin Patel. Manish and Yatin have their own foundation (MDP Foundation) and have been assisting organizations like [CASA of Kane County](#) with the outstanding Bourbon Social as well as others well before they started supporting the Big Raise. Thank you both for your support of the Big Raise and friendship. Check out their website at: [Liquor and Wine](#) and congratulate them on their amazing golf tourney victory just this past October at Pinehurst, NC.

Our monthly spotlight is on [Kaneland Food Allergy Foundation](#). Just a couple weekends past on October 25<sup>th</sup> Mansoor and Sakina ran their first pickleball tournament for food allergy education and awareness. They were able to raise over \$10,000 in this great event and fun day in Naperville. The Big Raise was privileged to support their efforts and helping others in a subject where many people don't know how allergy can affect so many people. Check out their website and their continuing efforts at: [KFAF](#).

Planning at the Big Raise for 2026 is underway. This includes our events, budget, and all the details of what we do. Check out our event calendar at: [2026](#). Consider becoming a financial supporter of the Big Raise at: [Contribute](#).
